## Conference “Cooperation with Ukraine in the Humanities”

October 24 and 25, 2024 at Andrassy University Budapest and online

Goal of the conference was to contribute to the development and deepening of cooperation with Ukraine in the humanities, specifically with Ukrainian universities that have been particularly hard hit by the war and have had to be evacuated or are located near the front line. Over the course of two days, participants held presentations in the sections “Multilingualism”, “Digital humanities”, “Digital education”, and “Good-practice examples”. In addition, breaks as well as common lunch and dinner were used for exchange with colleagues and as an opportunity to make new connections. Further talks between participants were arranged on Friday afternoon.

The conference, organized by BAYHOST in cooperation with the Research Centre on German Language in Central, Eastern and Southeastern Europe (FZ DiMOS), the Chair of Slavic Philology - Linguistics at the Institute of Slavic Studies at the University of Regensburg and Andrassy University Budapest (AUB), took place on October 24-25, 2024 in Budapest, Hungary and online via Zoom.
